

Patient Notice – ceasing temporary medication delivery 31st July 2020

Following the government announcement that shielding will be paused from 1st August, our temporary medication delivery service will stop on 31st July 2020. If you are unable to come to the Health Centre to collect your medication you may like to ask a family member, friend or neighbour to collect on your behalf.

For further information on shielding please

visit <https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19>

NHS Volunteer Responders 0808 196 3646 may be able to offer support if you need it.

When you come to the Health Centre to collect your medication you will not be permitted to enter the building. You will need to queue on the ramp, with socially distancing markers advising you where to stand. A member of the reception or dispensing team will come to the front door to help you.

We are forever grateful to all our volunteers for the deliveries they have made to our community over the past three months.
